DETAILED ACTION

1. Applicant's Amendment filed on January 16, 2008 in response to Examiner's Office Action has been reviewed. Claims 1, 22, 25 and 26 are amended.

Allowable Subject Matter

2. Claims 1-46 are allowed over the prior art of record.

The following is an Examiner's Statement of Reasons for Allowance:

The prior art of record fails to teach or suggest individually or in combination the point represented by a fail over log sequence number and the divergence in transaction history comprises at least one of a condition in which D1 fails for a period of time during which D1' remains operational, and D1 is brought back online or a condition in which D1 has provided data to the database and the data has not been received by D1' parsing design criteria into elemental manufacturing building modules independent of the one or more design data files and storing to a database a meta-data file comprising the extracted design criteria and the elemental manufacturing building modules, incorporating the manufacturing knowledge into the meta-data file as set forth in independent claims 1, 22, 25 and 26.

Dependent claims 2-21, 23, 24 and 27-46 being further limiting to the independent claims 1, 22 and 26 respectively are also allowed.

The closest prior art, Draper et al. US Patent No. 5,924,096 teaches maintaining one or more physical log recording the history of the copies. The closest prior art fails to anticipate or render Applicant's limitations above obvious.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thuy N. Pardo whose telephone number is 571-272-4082. The examiner can normally be reached on Mon-Fri.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Tim Vo can be reached on 571-272-3642. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
